

GYANENDRA TRIVEDI

Rashtriya Military School, Chail Alumnus | NDA Written Examination Qualifier (3x) | Mathematics & Science Mentor | Computer Science Undergraduate
9793335848 | gyanendratrivedischolar123@gmail.com | gyan-portfolio-zeta.vercel.app

PROFESSIONAL SUMMARY

Computer Science undergraduate and Rashtriya Military School, Chail alumnus with a strong foundation in Mathematics, Science, leadership and competitive-examination preparation. Qualified the NDA Written Examination three consecutive times and has mentored students preparing for RMS CET, Sainik School and NDA examinations in Mathematics and Science. Held student leadership positions including Cadet Captain and House Prefect, with a consistent record of academic, cultural and sporting achievement. Currently pursuing a B.Tech in Computer Science while continuing to build expertise in teaching, mentoring and technology.

DEFENCE & COMPETITIVE EXAMINATION ACHIEVEMENTS

- Cleared the NDA (National Defence Academy) Written Examination three times in a row.
- Cleared the Rashtriya Military School (RMS) entrance examination.
- Cleared the Sainik School entrance examination.
- Currently preparing for the SSB interview and medical examination.

MATHEMATICS & SCIENCE MENTOR — RMS CET • SAINIK SCHOOL • NDA

- Mentored students preparing for RMS CET, Sainik School and NDA examinations in Mathematics and Science.
- Provided structured instruction focused on conceptual clarity, mathematical reasoning and examination-oriented problem solving.
- Mentored NDA aspirants in Mathematics preparation for the NDA Written Examination.
- Helped students strengthen analytical thinking, numerical reasoning and systematic problem-solving approaches.
- Adapted teaching methods to individual learning needs, emphasizing conceptual understanding over memorization.

LEADERSHIP & RMS EXPERIENCE — RASHTRIYA MILITARY SCHOOL, CHAIL

- Served as Cadet Captain, leading and coordinating fellow cadets in daily activities and drills.
- Served as House Prefect, mentoring junior students and supporting house administration.
- Participated in school administration and student activities, helping organize school events.
- Developed strong teamwork, coordination, responsibility and student-leadership skills.

MATHEMATICS & ACADEMIC STRENGTH

- Scored 99/100 in Mathematics in Class X.
- Achieved First Position in Mathematics in the Overall Class, Academic Year 2023–24.
- Strong foundation in mathematical reasoning and competitive-examination problem solving, applied directly in NDA-focused mentoring.

ACADEMIC, COMPETITION & SPORTS ACHIEVEMENTS

- Academic & Competitive: Academic Blue Trophy for Best Average Academic Performance (2025–26); First Position in Mathematics, Overall Class (2023–24); Golden Lion Scholarship (2023–24); First Position, Science Quiz Competition (2024–25); First Position, English Elocution (2024–25); First Position, Hindi Skit Competition (2024–25); First Position, English Skit Competition (2023–24).
- Sports: Gold Medal, Basketball (2024–25); First Position, Athletics 100m (2024–25); Silver Medal, Cross-Country (2025–26); Bronze Medal, Athletics 200m (2023–24).

EDUCATION

B.Tech, Computer Science — KL University

Vaddeswaram, Andhra Pradesh, India | 2026–2030

Class XII, Science — Rashtriya Military School, Chail

Chail, Himachal Pradesh, India | Graduated 2026

Class X — Rashtriya Military School, Chail

Chail, Himachal Pradesh, India | Completed 2024

92.2% overall | 99/100 in Mathematics

TECHNICAL SKILLS

Languages: Java, Python • Backend: Spring Boot, REST APIs • Frontend: React, TypeScript, HTML, CSS • Database: MySQL • Concepts: Object-Oriented Programming, Java Collections, File-based Persistence

PROJECT

FoodFleet — Restaurant Management System

Java • Spring Boot • React • TypeScript • MySQL • OOP • REST APIs

- Developed an end-to-end restaurant workflow covering Customer, Table, Order, Kitchen and Billing operations.
- Built a Java/Spring Boot backend with REST APIs, integrated with a React/TypeScript frontend.
- Applied object-oriented programming, Java Collections and file-based persistence.
